- Gathering of evidence on challenges on work placements – short sharp enquiry
- Improving the application experience for students and universities: Application fees
- De-risking markets for students by creating escrow accounts to prove maintenance funding
- Challenging the list of nationalities identified as lower risk and subject to differential (lower) evidence requirements  
<https://www.gov.uk/guidance/immigration-rules/appendix-student#differential-evidence-requirement-for-a-student>
- Study Abroad – The Turing scheme doesn't have a return leg – How do we encourage more students to study abroad in the UK.
